

**coppilot**

**Scale your  
innovation  
with up to  
€200,000!**

**Get funding and expert  
support through the first  
Open Call of COP-PILOT!**

**COP-PILOT is a Horizon Europe Innovation Action building a collaborative platform that combines AI tools and secure infrastructure to test and deploy advanced solutions in real sectors, from industry and cities to agriculture and energy.**

**Bring your solution into real operational environments across Europe and integrate it into a Horizon Europe platform, driving cross-sector innovation!**

# Who can apply?

We are looking for projects led by SMEs alone or in consortia with startups, industry, research, and multidisciplinary teams ready to validate and scale their solutions in real-world pilots.

# What support will you receive?

- 👉 8 winners will be selected
- 👉 Up to €200,000 funding / winning project
- 👉 8-month mentoring & technical support
- 👉 Access to European pilots and the innovation ecosystem
- 👉 Integration with the COP-PILOT platform

**Find out more  
and apply here!**
